NOVEMBER 2006

## Reservation Desk Time Change

Beginning December 1, 2006, the reservation window will be opening for business at 7:45 a.m. At this time, the same procedure will be utilized whereby the reservation agent will take alternate window or phone reservations in the order they are received. This new time frame will allow members who play at 8:00 a.m. to check in and take care of their additional reservations at this time. Less congestion at the desk with this extended time will be a welcome sight. The new reservation hours will also maximize court usage

for all our members. Club hours of operation remain the same at Monday – Friday, 8:00 a.m. – 8:00 p.m., Saturday and Sunday 8:00 a.m. – 6:00 p.m.

## Bench Update

Thank you to everyone who has supported the bench drive. 32 benches have been sold with 13 locations left. For only \$650, you can become a part of BTC history. This is the perfect holiday gift for family members, friends, pets and yourself!!! Contact Colleen if you're interested. ## Griffin Tennis Supports St. Clare's Home for the Holidays

By Geoff Griffin

Once again the Balboa Tennis Club will be having its 6<sup>th</sup> Annual Holiday Toy Drive for the families at St. Clare's Home in Escondido. Last year, we exceeded our greatest expectations by fulfilling a very big list of needs from about 7 or 8 single mother families. The staff at St. Clare's Home said the Balboa Tennis Club was by far the most organized group they had ever worked with. I owe that all to my volunteers, the generosity of Dwight Van Slyke and his staff, the Perfect Kitchen and of course, many of you. Thank you cards from many of the families can still be seen above the drinking fountain in the Pro Shop case. I will drive everything up to the home on the 23<sup>rd</sup> of December. Be on the lookout for the wish lists. I will post them around the club after Thanksgiving. Thank you for all your support.

# The President Speaks...

by Robin Rodger

Sitting in the shade on the stadium court on a warm summer afternoon, I was unprepared for the discovery I was about to make.

As a board member of the San Diego District Association I was on the Hall of Fame Committee from its inception. I had been working hours with Larry Belinski, Mike Bauer, Jim Lackritz and others to realize the dream that the Belinsky family had conceived. Our work culminated with the induction of 10 members to the San Diego Hall of Fame on a warm afternoon, on August 26th, 2006. The memorabilia is located in our BTC Clubhouse. I was so involved with the nuts and bolts of the evening I hadn't stopped long enough to appreciate the overall significance of this event.

Brian Teacher, who won the Australian Open in 1980, stood to introduce Fred Kinne, one of the first 10 initial inductees into the new San Diego Hall of Fame. He spoke of the free lessons for children given by Fred in the 1970's. Fred was a reporter and newspaper editor by day. Brian spoke of the hours Fred spent taking "his team" to tournaments on a shoestring budget. His team was a group of boys with talent and desire. He spoke of the team spirit that Fred encouraged and how the players supported and encouraged each other.

That's when it hit me. Our supportive and family atmosphere at Balboa Tennis Club emanates from the 1970's. People gave of themselves freely to a sport they loved. We are still the beneficiaries of that giving today. It didn't end with the children they taught and encouraged back then. What a legacy to leave as you travel through life.

BTC and its members enjoy and excel in competition while still remaining supportive and encouraging to other players. We applaud as others reach new levels in their games. We are not threatened by this but instead celebrate with them and work harder on our own games as we strive to achieve our personal bests.

Thank you Fred, Wilbur and all the others through the years who have shaped and molded BTC into the unique club it is today. Let's continue our tennis legacy by encouraging our youth and new players to embrace the game we love. This will enable us to keep this wonderful spirit of sportsmanship and camaraderie alive for years to come.

# Once Upon A Time In North Park

Morley Field, the Balboa Tennis Club and the San Diego Tennis Hall of Fame

By Steve Hon

John G. Morley was Park Superintendent of all San Diego City Parks from 1911 to 1938. He oversaw the development of Balboa Park as well as other city parks during his tenure. In the master plan developed for Balboa Park in the 1920s, the northeast corner of the park was designated for outdoor sports, including a golf course. During the early years of the Depression the City Council authorized a bond issuance to provide for recreation facilities in the area along Upas Street. In January 1933, the North Park Recreation Center was dedicated with a municipal swimming pool (Bud Kearns Memorial Pool) eight tennis courts, two baseball fields, shuffleboard courts and play areas. On June 28, 1934, the Park Commission voted to officially name the Recreation Area in Balboa Park along Upas Street from Alabama to Arnold Streets "Morley Field." The tennis courts at Morley Field were a welcome addition to the three tennis courts that had been built at the University Heights Playground (renamed North Park Recreation Center in 1969) in 1924.

Across Florida Canyon, the Balboa Tennis Club had begun in 1922 when a small group of tennis players raised \$5,000 and with the cooperation of the City, constructed six tennis courts adjacent to the present War Memorial building where the San Diego Zoo now has their parking lot. In 1924, San Diego Tennis Association received a lease from the City to operate the courts for the public and a small clubhouse and locker rooms were built in 1935. In 1939, Articles of Incorporation were drawn up and the Balboa Tennis Club was formed as a public, nonprofit corporation to "foster and develop the game of tennis in San Diego.... and to encourage competitive play with other clubs of this and other communities." In June 1966, the club moved to its present location at Morley Field and in July 1983 assumed all the operational responsibilities for the Morley Field Tennis Complex which now consists of 25 hard courts including the Maureen Connolly Brinker Tennis stadium. The Balboa Tennis Club is committed to running a superior tennis facility. In 1989 Balboa Tennis Club was rated as America's Best Public Tennis Facility by the United States Tennis Association (USTA) and in 2003, the Balboa Tennis Club received the Outstanding Tennis Facility award for large facilities by the USTA.

Since August of 2006, the Balboa Tennis Club is also now home to the recently opened San Diego Tennis Hall of Fame. Behind the glass of three cabinets in the Club house at Morley Field are photos,

memorabilia and stories about the initial 10 members of the San Diego Tennis Hall of Fame. They are: Bill Bond, Maureen Connolly Brinker, Michael Chang, Dorothy "Dodo" Cheney, Wilbur Folsom, Jean Doyle Garrett, William S. Kellogg, Fred Kinne, Ben Press and Karen Hantze Susman. Three out of the ten initial inductees have a strong connection to North Park. Maureen Connolly Brinker grew up in a home on Idaho Street and learned to play tennis under Wilbur Folsom on the tennis courts at the University Heights Playground. Maureen won nine major singles titles including three consecutive United States Open titles and three Wimbledon championships. Her career ended in 1954 after she severely broke her leg in an equestrian accident. In addition to teaching Maureen Connolly Brinker to play tennis, Wilbur Folsom taught hundreds of players tennis at the University Heights Playground courts and later at Morley Field. Wilbur was a long time resident of University Heights himself, and despite having lost a leg days after graduating from San Diego High School, he became an institution on the local tennis courts until his death in 1968. Fred Kinne's day job was as a reporter and newspaper editor for the San Diego Evening Tribune. On weekends, he offered free lessons to kids at Morley Field. Fred taught thousands of kids over the years including Brian Teacher, who won the Australian Open in 1980.

For more information on these 10 San Diego tennis legends please visit the Balboa Park Tennis Clubhouse at Morley Field.

## San Diego Rescue Mission New BTC Drive for 2006

The BTC annual charity drive this year will be directed at the San Diego Rescue Mission. This credible organization has been helping people on the streets get their lives back in order since 1955. The vulnerable victims of drugs, alcohol, depression, abuse, domestic violence and financial hardship need support. Any clothes, shoes, blankets and household items you wish to donate should be placed in the bins outside the Reservations Desk and Pro Shop from November 1-22. Our own BTC Homeless Hero – David Ross – approves wholeheartedly of the San Diego Rescue Mission efforts. Please help out in any way possible. This is a great way to kick off the spirit of the season.

## Colonel William "Bill" Stack

By Larry Belinsky

Bill Stack was born in Vienna, the capital of the Austrian-Hungarian Empire in 1915. He excelled in tennis, field hockey, skiing and ice hockey, representing his country in international competition. He immigrated to the United States in 1941 and served in the U.S. Army, achieving the rank of Colonel.

He retired from the service in 1965 and settled in Washington D.C., where he became the Director of the Washington Hilton Racquet and Swim Club. While there, Bill was ranked #1 in the men's 50 Singles for the Middle Atlantic USTA section.

In 1969, he moved to San Diego where he became Sales Director and Manager of the Point Loma Tennis Club. From 1972-1975, Bill sold office equipment at the Business Equipment Center until he decided to start his own business called, Stacks Limited.

As an avid tennis enthusiast and wanting to make a positive impact in the San Diego Tennis Community, Bill founded the San Diego District Tennis Association, San Diego Umpires Association and the Greater San Diego Tennis Council. He also made his leadership skills known while serving as President of the Balboa Tennis Club.

Bill coached and mentored many high school, collegiate, national and senior players such as Robin Harris Ogburn, Nancy Ornstein, Marita Redondo, Colleen Clery Ferrell, Ann Lebedeff, Vicki Lareau, Lianne

## The Director's Report

by Colleen Clery Ferrell

In 1976 when I was enduring my last winter in Chicago, I remember leafing through a brochure on San Diego, which promised "360 days of great weather and the perfect place to improve your tennis game!" I knew there was a better place beyond my imagination where year round tennis would outweigh the seasonal Midwest tennis opportunities. I've never looked back after arriving in America's Finest City 26 years ago. Indeed we are all spoiled by San Diego's endless days of sunshine and temperate climate. This fall weather seems perfectly suited for tennis any time of the day. So come on out and take advantage of the blue skies, Santa Ana conditions and optimal weather for the great game of tennis at Balboa Tennis Club.

The season of giving is upon us so please be generous in your donations to the San Diego Rescue Mission. This organization is very credible and extremely enthusiastic about our partnership. Unlike previous years where we limited the donations to shoes and blankets, the Rescue Mission will accept clothes and house wares as well. Take inventory of your belongings and please set aside items no longer in use for those in need.

I would like to remind everyone about the dog policy at the club. In May of 2005, the BTC Board of Directors voted to allow dogs at courtside as long as they weren't creating a disturbance. Please be considerate if your dog begins barking by settling the dog down immediately or taking the pooch off the court. Also, please keep in mind that all dogs must be on leashes around the club and they aren't allowed in the clubhouse at any time. Thank you for following these rules.

With the Reservation Desk opening earlier, this should ease up the morning rush at the desk. Please make sure you specify whether your reservation is for singles or doubles so we can maximize the tennis playing opportunities for everyone.

Lastly, congratulations to Melinda Murray and Mimi Loucks for their third place finish at the National Open Tennis Championship in Las Vegas. Best of luck to our members who will be competing in the 35,45 and 65 Intersectional Teams representing Balboa Tennis Club. We are proud of your efforts.

Marquez and Larry Belinsky. As a player, Bill was ranked #1 in San Diego in the Men's 55 Singles in the early 70's. He was also a member of the Gordon Cup, an international senior competition, with Don White, Nick Powell and Alfonso Smith as his teammates. Many still remember Bill as a tireless and tenacious competitor who sliced, diced and angled his

opponents off the court while also running them into the ground.

Off the court, Bill will always be remembered for having the biggest and kindest heart, coupled with a strong will and never-say-die attitude. Thanks to Bill's leadership, hard work and determination, San Diego has become a proud and successful tennis community

## Hero of the Year at Balboa Tennis Club - Randy Marin

Every crisis situation needs someone to step up and take control. On Thursday, October 19 at 11:50 a.m., A BTC member fell to his knees in distress. Andrea Felder alertly

saw the man go down and ran up to the Reservations desk to tell Alex to call 911. Colleen immediately grabbed the AED (Automated External Defibrillator) and headed out to court #7. When she arrived, Randy Marin was crouched down over the victim, assessing the situation. Colleen asked Randy if he knew CPR and he said yes. Randy instructed Colleen to open up the AED and rip open the package of pads. He placed the pads on the

victim's chest and let the machine advise the rescue team what to do next. This is the beauty of the AED. The machine analyzes the heart's rhythm for abnormalities and if necessary, directs the rescuer to deliver an electrical shock to the victim. After a shock, two rounds of CPR and much encouragement, the man started breathing on his own. Randy didn't think twice, he just took charge. As a retired pilot, he knew exactly what to do in this stressful situation. Thanks Randy for a life saved and a job well done. The moral of the story is for everyone to get certified for CPR and become familiar with the AED. As evidenced, they are a lifesaver!!!

## BTC Board of Directors Set for 2007

Many thanks to Randy Gerson and Terry Overbey for their hours of dedication the past four years on the Balboa Tennis Club Board of Directors. Peter Conneely is also retiring to pursue advanced education. The Board thanks Peter for his year of service and active contributions.

Each year five board of director positions come open. These vacancies can be filled by incumbents or new members desiring to serve on the board. Each applicant is required to get 40 signatures from other members who endorse their candidacy. This year, the five applicants included two incumbents and three new applicants. Thus, with all five positions filled, an election will not be necessary.

Welcome incoming board members Linda Long, John Rodriguez and Andy Katz. These three new members will join Linda Stadelli, Barbara Gregorio, Dwight Van Slyke, Don Goyette, Bob Gates,

Richard Barndt, Ron Celeste and President Robin Rodger to round out the 2007 BTC Board of Directors. Meetings are scheduled the third Tuesday of each month at 7:00 p.m. and they are open to the members.

## Spotlight on the Pro – Ron Seno

Ron Seno was born and raised on the island of Maui in Hawaii. Most of his professional background came through Royal Lahina Tennis Ranch on Maui, which was operated by tennis great John Newcomb and titled, “Newcomb Networks System.” Each year Royal Lahina would host the largest Tennis Tournament in Hawaii – the Island Holiday Pro Classic. In the early 70’s, Jimmy Connors was the number one player in the world and a regular visitor to the Island Tournament. Ron had the opportunity to get close with many professionals during this time period. In 1978, Ron became the Director of Tennis and Head Teaching Professional at the Kona Hilton Beach and Tennis Club on the big island of Hawaii. After this position, Ron worked at several resorts in San Diego and Arizona before landing at Balboa Tennis Club.

His most recent titles as a player are: USTA League Hawaii Champions (4.5) 2000-2005; #1 Singles and

Doubles Champion Big Island Hawaii; and #1 Singles & Doubles Champion 45’s.

Mahalo (Thank You) to everyone at the Balboa Tennis Club for all the “Aloha Spirit”.

### **Here is Ron’s Tennis Tip:**

*When you watch all the great players perform, you see how good they look. The key to looking good is balance and preparation. If you have good-looking strokes, you’ve gotten in the right position. Next time you play or practice tennis, after each stroke, see if you are in balance. Try to hold your finish 5 seconds and check out your position. Proper positioning is how good you look when you finish your stroke. “It’s in you – bring it out.”*

## Rain Policy Review

Even though the meteorologists are predicting a dry winter for Southern California, San Diego will inevitably receive some precipitation. Thus, the members should be aware of the way the Reservations Desk handles rainy days when there is a need to squeegee a court.

1. Reservations will be honored. Arriving early and using a squeegee to dry a court that someone else has reserved will not give you the right to a court that is reserved.
2. Once you have taken a squeegee, you have one half hour from the start of your reservation to return the squeegee. For example, 9:00 a.m. players would need to return the squeegee by 9:30 a.m.
3. If the courts are so wet that it takes more than a half hour to squeegee, the reservations clerk does have the discretion to extend the half hour deadline.
4. Once the squeegee is returned, the reservation clerk will mark off an extra half hour on your reservation. For example, doubles reservations beginning at 9:00 a.m. will run until 11:00 a.m. instead of 10:30 a.m. If you don't return the squeegee on time, you won't get the extra half hour play time.
5. Reservations will only be extended one half hour even if the reservations clerk extends the deadline for returning the squeegee. You should take this into account before deciding to squeegee a court.
6. Once an extra half hour has been granted, every subsequent reservation will be moved back one half hour, as needed. For example, if a 9:00 a.m. doubles reservation is extended until 11:00 a.m., a member with a 10:30 a.m. reservation for the same court would be asked to wait until 11:00 a.m. or they could opt for another court if one is available.

## Fall

by Gil Mahaney

Here at the equinox  
I watch all your colors  
Turning decorating  
This new season  
Changing like  
Emotions  
In the meantime  
On patient ground  
I await you  
With anticipation  
Long held devotion  
Clinging to this dirt  
Preparing a place  
For you on this earth  
So all you have  
To do is fall  
Like a star from  
The sky like a  
Tear from an eye  
Let gravity favor me  
Then in your numbers  
You can blanket me  
And with your colors  
You can cover me  
For right here  
Is where I'll be  
When you fall
